ZAC-60 Outdoor Enclosure: ZOE-60

Surface-mount outdoor enclosure for the ZAC-60 Controller.

Features

- Includes outdoor enclosure, conduit mounting plate and internal ZAC-60 mounting plate.

ZAC-60 Rough In Kit: RIK-60

Rough in bracket ("mud ring") for locating ZAC-60s prior to wall board installation. Rigid, zinc-coated bracket with cable capture tab.

Features

- Kit includes mounting and installation instructions, mounting bracket, mounting screws and one 6" tie-wrap.

ZIM-4 Wire Splitter: ZWS-2

Allows two home-run ZIM-4 lines to be combined into one ZR-98-ready connection.

Features

- Plastic-molded connector. Two RJ-45 jacks in, one RJ-45 jack out.

ZAC-60 Controller Faceplate Kit: ZAC-60 FP

Oxmoor's burlwood faceplate/knob kit for the ZAC-60 Controller shown. Other colors available are black, ivory, primed, titanium, white and rosewood.

Features

- Kit includes one faceplate and matching jog wheel.

ZIM-4 Input Module Faceplate Kit: ZIM-4 FP

Oxmoor's signature titanium faceplate/insert kit for the ZIM-4 Input Module shown. Other colors available are black, ivory, primed, white, burlwood and rosewood.

Features

- Kit includes one faceplate and matching center insert.

ZAC-60 Rough In Back Box: RBB-60

Designed for use in masonry walls and installations requiring conduit.

Features

- Kit includes instructions and ZAC-60 mounting screws.

ZON Remote Control: ZRC

Genuine replacement compact remote control for the ZAC-60.
