

Music makes everything better. And ZON whole house digital audio will knock your socks off - with 60 watts of crystal clear sound in every room, whole house paging, decorative controls that are as technologically advanced as they are beautiful, and simple, intuitive operation that doesn't require an advanced degree. All with the quality and reliability of a noise-free digital system that is expandable and upgradeable without the techno clutter.

## Life Just Got Better.

Live life to the max, with ZON. Because it's all about the music.
